COMICCRAFT

Phase 4 - Project Planning Phase

The project is planned as a sequence of phases so that the work can be developed and checked systematically.

Planned stages:
1. Brainstorming and ideation.
2. Requirement analysis.
3. Project design.
4. Project planning.
5. Project development.
6. Testing.
7. Documentation.
8. Demonstration.

The plan helps organize development activities, identify required resources, track progress, and prepare the final project presentation.
